

INVITATION

Badminton Stockholm Open BSO

6-7 December 2025

Welcome to the 2025 edition of BSO, in cooperation between the Stockholm Badminton Federation and five badminton clubs in Stockholm. We are looking forward to gathering players from all over Sweden as well as from several European countries. The younger age groups will gain valuable tournament experiences, at two different levels. Our top elite players will compete for the cups as well as prize money in the prestigious U22/Elite category.

BSO offers two levels for the youth categories U13, U15 and U17: MJT and SJT.

Master Junior Tour, MJT, is for players at a lower competitive level. Swedish Junior Tour, SJT, is for elite level players.

BSO 2025 is arranged by Kista Badminton Club (U11 och MJT U13), Täby Badminton (U13), Sollentuna Badminton (U15), Skogås Badminton Club (U17), and Spårvägen Badminton (U22/Elite).

The first rounds of the BSO will be played Saturday in the respective hall of each local organizer, while **all semifinals and finals will be played Sunday in one common venue: Enskede Rackethall.**

MJT is played in parallel with the BSO, but will be finalized on Saturday, in the respective halls. I.e. all MJT semifinals and finals will be played Saturday. Note that only the singles category is available in the MJT U15 and U17.

Schedule for each age group will be available in [Tournament Planner](#).
